THE COLLABORATION WAS REALISED
IN COINCIDENCE OF THE
50TH ANNIVERSARY OF THE FIRST
PUBLICATION

MIKA YAMAMORI X MOMOKO KOUDA

Pencil

Color

It's been 50 years since the first publication of both *Danganronpa* & *Danganronpa* (Shounen Danganronpa)! We want to do something to celebrate it! That's how we made this happen! The collaboration manga between *Danganronpa* series' *Danganronpa* and *Manga Danganronpa* from *Danganronpa*! They're good friends in real life too! How they?

DANGANRONPA

Love!

this is MIKA YAMAMORI

Yamamori is a warm hearted and nice girl! When I do something dumb, she just gives me a nice reaction. I sometimes find her to be like Makizono. (lol) She's a genius in drawing!! Saying something like "never saw such a character", but then she giggles it and draws my favourite characters for me anyway.

Anyway, if I had to express it with one phrase...

I LOVE YOU!!!

by MOMOKO KOUDA

I REALLY ENJOYED THE JOINT WORK
THIS TIME! I HOPE YOU WILL ALL
ENJOY IT!

this is MOMOKO KOUDA

- she seriously shouts to the
boy in your mind, but put
a smile on your "face" motto
- She talks to 100 more than
others. She says 100
million more than others
- same say "no"

- She is thoroughly told
to someone who does ever
put her trust in

She takes the lead and
bring up the atmosphere.

by MIKA YAMAMORI

I HAD SO MUCH FUN WITH THE FIRST
COLLABORATION WORK WITH HER!
DRAWING COOPERATING! I LOVE DANGANRONPA
BUT TOO!

CHARACTERS FROM THE COLLABORATION MANGA

YUYUKA KIKOTA

Suzume's classmate. Later, she's feeling close to her, but, well, sometimes, just a two-deck!

SUZUME YOSANO

A free-born country girl and her own person. Currently she is in trouble with her first love for Shikibu-otoko.

LAFAD
overdy!

Hatori's childhood friend
with her cool-headed personality
she supports Hatori who tends to
get out of control. The one and only
friend present in this work.

KYOKO NAKAJIMA

A first-year high schooler who is in love
with her childhood friend. She
wonders "she will surely get together with
Hatori someday" without any basis. A
cheerful girl. She is good at making a
landscape. Her face looks a
bit like a cat.
